“The Caruth Foundation supports bold, transformative initiatives in the areas of Education, Public Safety, and Medical and Scientific Research. Our ultimate goal is to drive systemic change by supporting innovative approaches and data-driven solutions to some of the most difficult challenges facing our communities. I believe that the Caruth Foundation’s support of Educate Texas is one of the most game-changing investments we could possibly make to improve the quality of public education for students across Texas. Educate Texas leverages collaborative leadership, strong relationships, and deep expertise in the education field, to implement best practices and policy changes that will positively impact thousands of Texas students.”
